About

I am a first-year Computer Science Engineering student passionate about technology and innovation. I am eager to learn programming, improve my problem-solving skills, and explore areas like Artificial Intelligence and Software Development. I believe in continuous learning and look forward to building my skills and growing as a future software engineer.

About

I am a first-year B.Tech student specializing in Computer Science and Information Technology (CS-IT), with a strong interest in technology and programming. I am passionate about learning new skills, exploring opportunities, and improving my technical knowledge. My goal is to grow as a skilled IT professional and build a successful career in the tech industry.
